Bethune College

Organized
Science Academies’ Lecture Workshop

Recent Advancements in Animal Research

on
27th and 28th September, 2013

Sponsored by
Essence of research is merely not academic, but its creativity may widen the passage to explore innovation. New mantra of Innovation in Indian Science will mark globally through the aspiration of young mind. Aim of the present workshop was to set a platform for student to interact with the luminous science personalities of country. And they tell the tales of innovative scientific findings. On 27th of September 2013. Prof. Dipak Ranjan Mandol, Directorate of Public Instruction and Secretary to Govt. of West Bengal (Ex-Officio) inaugurated the workshop in presence of Prof. Sangeeta Tripathi Mitra, Principal, Bethune College. Display stall for Academy publication ‘Resonance’ was inaugurated by Prof. Samir Bhattacharya. Prof. Aparna Dutta Gupta, Convenor of the workshop was also present in the Inauguration Ceremony. Prof Bhattacharya delivers his lecture on ‘Charm of new discoveries in Science: And why we fail to achieve that?’ He revealed the pain and commitment before establishing the discovery. Prof. Aparna Dutta Gupta told her story to develop an animal model. Her tips to top in career encourage the young mind. In afternoon session Prof. Partha P. Majumder had a different tale to tell, ‘the Three billion: A decade later. Decade after completion of Human genome project, avenues of Human Genetic research has changed significantly. Personalized medicine may be the alternative for the next generation.

In the next day morning lecture was given by Prof. Sumit Hom Choudhuri on Bio resource productivity and conservation. Prof. Soumen Kumar Maitra delivers his lecture on research in Environmental Endocrinology. Last speaker of the workshop was Prof. Santunu Ray on ‘Theoretical ecological models and some integrated ecosystem theories.’ Mathematical models may extend different dimensions in the biological science.

Poster session was also organized for students also and eleven posters were displayed. Students from different colleges like Science College, University of Kolkata, Presidency University, Rishi Bankim Chandra College, Barasat Govt. College, West Bengal University of Animal Sciences and Fisheries, Indian Institute of Veterinary Research Institute( Regional Centre. Kolkata), Vidyasagar College, Bidhan Nagar Govt. College, etc.

One hundred and fifty participants joined in the program to make it a successful venture. Organizing committee sincerely acknowledge the sponsorship of the Academies.
